

Environmental Policy 2024

Hesketh Bank Community Centre (HBCC) recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods, with regular review points. We will encourage customers, suppliers and other stakeholders to do the same.

Responsibility

The Trustees are responsible for ensuring that the environmental policy is implemented.

Policy aims

We aim to:

- Comply with and exceed all relevant regulatory requirements.
- Continually improve and monitor environmental performance.
- Continually improve and reduce environmental impacts.

Paper - We pledge to:

- Minimise the use of paper in the office.
- Seek to buy recycled and recyclable paper products.
- Reuse and recycle all paper where possible.

Energy and water

- Through the design of our building, we pledge to seek to reduce the amount of energy used as much as possible.
- Lights and electrical equipment will be automatically controlled and the system will switch them off when not in use.
- Heating will be automatically controlled and adjusted with energy consumption in mind.
- The energy consumption and efficiency of new products will be taken into account when purchasing.
- We will evaluate the environmental impact of any new products we intend to purchase.
- We will favour more environmentally friendly and efficient products wherever possible.

- We will reuse and recycle everything we are able to.

Transportation - We pledge to:

- Reduce the need to travel, restricting to necessity trips only.
- Promote the use of travel alternatives such as e-mail or video/phone conferencing.
- Make additional efforts to accommodate the needs of those using public transport or bicycles.

Maintenance and cleaning

- Cleaning materials used will be as environmentally friendly as possible.
- We will only use licensed and appropriate organisations to dispose of waste.

Monitoring and improvement - We pledge to

- Comply with and exceed all relevant regulatory requirements.
- Continually improve and monitor our environmental performance.
- Continually improve and reduce our environmental impact (wherever possible).
- Incorporate environmental factors into business decisions.
- Review this policy and any related business issues at our monthly management meetings.

Culture - We pledge to:

- Involve users in the implementation of this policy, for greater commitment and improved performance.
- Update this policy at least once annually in consultation with users and other stakeholders where necessary.
- Work with suppliers, contractors and sub-contractors to improve their environmental performance.
- Use local labour and materials where available to reduce CO2 and help the community.
